## Letter

### *Fatima – The extraordinary hope is real ... but so are Mary's warnings!*

Dear Child of Mary,

War is everywhere, not just Iraq and Afghanistan, and the violence in Darfur, Chad and the Holy Land. A plague of terrorism blankets the globe.

Blasphemy fills the walls of museums, ridiculing the Crucifixion and Our Mother Mary. People can't tell the difference between the Gospels and gnostic fantasies on sale at the bookstore.

Civilization has torn loose from its hinges! Our moral anchor has broken its chain!

The age of martyrs is back. The blood of priests, sisters and brothers – even bishops – flows in Africa, South Asia, the Middle East, and Latin America. Lay people – especially catechists – are butchered for the Faith.

Mary appeared to three small children in Portugal 90 years ago, warning that these things – and worse – could happen. Among other things, Our Lady of Fatima asked the children to pray the Rosary daily in order to bring peace.

In this time of war, will you respond to Mary's plea, using the enclosed Rosary to pray for peace today?

As I share the bleak visions above, let me also speak of the hope Our Lady offered us at Fatima. She clearly said, "Finally, my Immaculate Heart will triumph!" You and I need only do what Mary asks us to do, and that's why I write to you today.

As a loving Mother, Mary will take our case to God, and Her intercession will bring peace into our world ... and into our personal lives.

**Will you help spread Our Mother Mary's love and hope with your gift of \$20 ... or \$30 ... to America Needs Fatima today?**

**Will you even consider a gift of \$50 ... or \$100 ... to help bring peace through prayer into our troubled and violent world?**

"If what I say to you is done, many souls will be saved and there will be peace" is the promise that Mary offers in the Second Secret of Fatima – a promise for the whole world.

But let me tell you just two of the many remarkable personal stories that have taken place in families of those devoted to Our Lady of Fatima! One good lady was at her wits end with a husband who hit her, lived openly in sin, and would not go to confession.

*Over please ...*

One day, she handed her husband a copy of a picture of Our Lady, one older but similar to the picture on the enclosed note card from Fr. Kenneth Brighenti. The husband immediately broke down and asked his wife to take him to a priest!

In another case, a faithful friend invited us to bring Our Lady for a home visitation, to which she invited 50 friends and family members. Many had not been to Mass or said the Rosary for years. But after that day, they picked up their Faith with a passion never felt before!

Thousands upon thousands of personal stories like this have occurred since that October 1917 afternoon when the sun “danced in the sky,” changing colors and moving unaccountably in the sky over Fatima as Lucia dos Santos and her two little cousins saw yet another vision of Mary.

Through that event, witnessed by tens of thousands and reported by the great newspapers of Europe and America including the New York Times, Mary began to lift our world up to Her precious Son. Now it’s up to you and me to work hand-in-hand with Our Lady.

And in this era, when sin *seems* to reign supreme, America Needs Fatima!

In this dark hour of history, the sun can again dance in the sky ... if we turn ourselves over to God fully in the care of our Blessed Mother.

So please, pray with me! Pray the Rosary daily!

Pray for the realization of Our Lady of Fatima’s vision for the world. And please ... help spread Our Lady’s message of love and hope with your urgently needed gift today.

In the Love of Jesus and Mary,

Dear Friend of the Blessed Mother,

As a friend and enthusiast of *America Needs Fatima*, I encourage you to cherish deeply this spiritual picture of the miraculous Pilgrim Virgin Statue of Our Lady of Fatima.

Now – more than ever before – I recommend that you ask the Mother of God to protect the Church, our country and your loved ones. Her maternal goodness will never fail you.

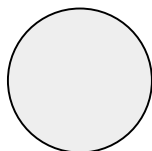

I know Our Lady of Fatima will hear you. May you trust in Her, every step of the way. As we redouble our prayers and sacrifices, we ask Holy Mary to guide our leaders in the Church and our country, giving them courage to face the many difficulties that lie ahead.

I ask you to pray for *America Needs Fatima* and to support their important work to enthrone *Mary In Every Home* and spread Her Fatima message.
